

Print-and-Play Deck

The Crazy Card Game for Creative Weirdos

HOW TO PLAY

1. Print these pages on cardstock. Cut along the dashed lines.
2. Each round, one player is the judge and flips a card.
3. Everyone else writes the funniest sentence whose words start with the acronym's letters, in order (a / the / and are free).
4. The judge reads them anonymously and picks a winner. First to 7 wins.

White = straight acronym. Themed = must fit the category.

Wild = follow the card's rule.
